**TOPSOIL:**

If your site is filled and the ground is held by a timber retaining wall, then the topsoil above the wall may settle during the first year of possession, due to the settlement of the fill beneath. Churton Homes Limited will not be liable for rectifying or replacing any material or structure above this wall which has been affected by movement.
MISCELLANEOUS ITEMS:

The foundation at the garage door is rebated so that the door sits down on the driveway to prevent wind/rain driving under door. However, there may be a 5mm gap at side/ground level of door, but this will not be a weather tightness issue.

Churton Homes Limited reserves the right to alter the specifications and plans to allow for spatial impracticalities including but not limited to, shower types/sizes and vanity types/sizes.

PERMITTED VARIATIONS AND UPGRADES:

Variations and upgrades are allowable as per the Churton Homes Ltd. “New Home Selection Guide. All product and colour decisions must be finalised and signed off by client by the Critical Deadline Date, being 08 May 2020.

PLEASE ALSO CONFIRM THAT YOUR AGENT HAS DISCUSSED WITH YOU THE CONTENTS OF THE “NEW HOME SELECTION GUIDE – THE TAKAHE HOME PACKAGE” SO YOU ARE AWARE OF THE COLOUR SELECTION PROCESS AND THE PERMITTED VARIATIONS AVAILABLE TO YOU.
